WAVELIGHT® AIR COUNTERS

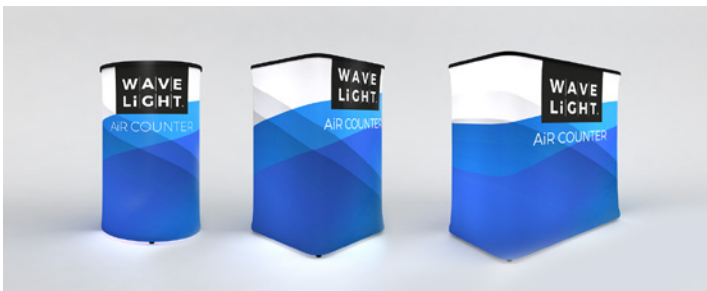

INFLATABLE & LED BACKLIT

Step into the Light™ with our WaveLight® Air Backlit Inflatable Counters —experience a 360° backlit marketing surface that lights up your event space. Go from flat packed to fully inflated in under 15 seconds. The WaveLight® Air Counters have an inner core that's durable, stable and strong enough to sit on without collapsing. A self-locking quick-release air valve makes it easy to inflate without losing air and just as easy to deflate with the push of a button.
